As we start planning and preparing for this upcoming season’s marching band activities, we would like to offer you an opportunity to support your band program through our exclusive fall t-shirt sponsorship program. This will get your name out there to be seen as a business, organization, or individual that invests in and supports community programs. Imagine 140+ kids wearing a shirt at every Friday night football game and Saturday competition that advertises your community involvement!

Our fall t-shirt is an element of our “summer uniform” that band members wear to football games, competitions, and sometimes on their own to show the pride they have for their band. Also, many of our devoted band parents buy these shirts to show their support for our kids. The fall t-shirt is widely seen in and around town as well as throughout the mid-south as our band travels during the competitive season.

- This is a one time sponsorship opportunity that is exclusively for our fall t-shirt.
- Sponsors are accepted on a first come, first served basis. There are only 16 tiles available (see diagram)
- All artwork for your sponsorship tile must be submitted and paid in full by July 4th, 2018.
- Please see the note below concerning art work submissions:

Raster Files / Image Files

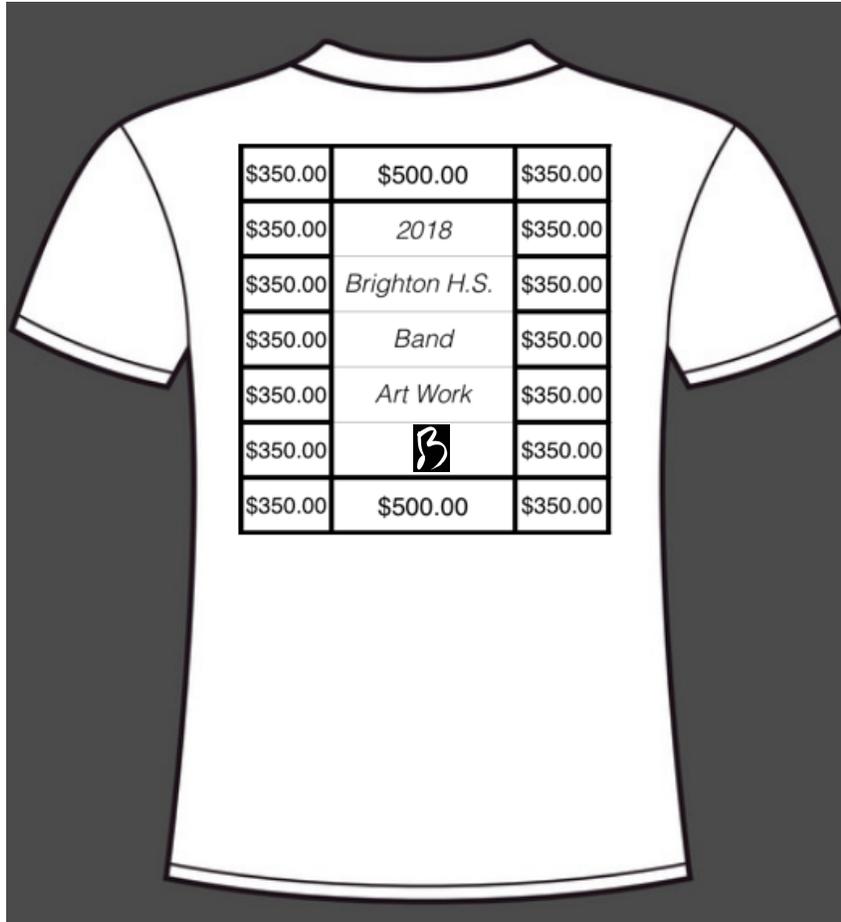

This includes:

.psd, .jpeg, .tiff, .png, .gif, .bmp.

Whichever of these formats you provide, the artwork should be at least print size and 300 dpi. This should be done at the beginning of the creation process, not scaled later on. If they are not provided this way, we cannot guarantee the print quality will match your original image.

Artwork file types that aren’t appropriate:

Microsoft Word, PowerPoint or Publisher file types. Supplying these is likely to increase your submission time and will often require you to re-supply the artwork in an alternative format which could possibly result in losing your opportunity to be a “Fall T” sponsor.

To secure your spot on our fall t-shirt, email:

jfindley@tipton-county.com TODAY!

Please include your business or organization’s name and which level of sponsorship you would like to purchase.
